Fee Policies

Monthly fees are consistent for every month regardless of the number of instructional days. Annual instructional and non-instructional days are totaled and averaged out over a 10-month period. Although there are additional fees for those who would like to attend during December and March break periods, the regular fee will remain the same. If children are withdrawn from care, they will not be eligible to re-enter the centre for 3 months. Please refer to your Parent Manual for the complete fee policy.

New Registration

All new Spare Time members are required to give a \$100.00 deposit upon registration. This will be applied to the final month upon the one-month notice of withdrawal from the centre.

Payment

Post-dated cheques for the rest of the year will be required by the first day of attendance.

Subsidy

An **Affordable Child Care Benefit** is available for those who qualify from the Ministry of Children and Families. Families receiving this subsidy will also be required to pay a \$50.00 deposit and must provide post-dated cheques for their portion as stated above, the **difference between the monthly fee and the benefit authorization**. There will be additional fees for district closure days, Winter Break and Spring Break. The centre must receive authorization forms prior to the child attending or you will be responsible for paying the full fee, and you will be reimbursed when the authorization is received.
